

# Scoring For Our Youth!

DAVID CREVELT MEMORIAL FUND

Winter 2008

## Fund Description

DCMF (David Crevelt Memorial Fund) dba Scoring For Our Youth is a non-profit scholarship organization recognizing excellence in high school graduates and college bound students exemplifying leadership and initiative both on the athletic field and off.

## 2008 Holiday Season

Thanksgiving has not been celebratory holiday for the Crevelt families since Dave left us. But this year one of Dave's dreams was realized. The DCMF Committee was busy this year and you will be reading the results of our committee work later on in this newsletter. Also, the committee will be reporting on its tax status later in this newsletter. But mostly, we were missing the fun and camaraderie generated by Dave's Day golf participants due to the permanent change in the month the golf tournament occurs. Having two tournaments almost back to back, one in October 2007; the other would have been June 2008, was decided against and therefore, no Dave's Day #3 occurred in 2008. The tournament month is now set to June. We will be looking forward to a great time and event in June 2009.

All the Crevelt families wish a "special transformation" of joy, peace and hope be with you and your families this holiday season and that safety and good health be with all of you until we can gather and celebrate together June 19, 2009 – Dave's Day #3

Both Tournament and DCMF Committees thank you for your generous support of Scoring For Our Youth emphasizing excellence, leadership and initiative for our athletic youth. We are looking towards the 2009 Tournament with anticipation of a successful and fun event in the spirit of placing youth first.

## Dave's Day #3 - June 19, 2009

October 12th....Well, here it is, 365 days from that rainy (just a little!) day on the 12th of October in 2007 – Dave's Day #2. Aaagh....a memorable day – first a few drops...then a pattering, then a pouring and yes...remember the drenching? Such fond memories – so fond that as Tournament Director, I never received a single inquiry on why we hadn't scheduled another!

Be brave and reassured – oh ye faint of heart – there is a Dave's Day #3! We had such a memorable time with the weather as well as the scheduling amidst other frequented tournaments that the Dave's Day (Scoring For Our Youth) Tournament has been moved to June of each year from here on out beginning in 2009.

### Dave's Day #3 - June 19, 2009 Shoreline Golf Links, Mountain View

Again, we will be "sporting" a shotgun start beginning at 2 PM with a very sumptuous dinner barbeque to follow; exquisitely catered by Michaels at Shoreline. With the change in date we are expecting a change in weather and therefore we will be enjoying a lovely evening on the patio. We still have the indoor banquet facility should Mother Nature not cooperate with us again. Yes, all this fun is had for a single price of \$175 per player. Of course a portion of your fee will be tax deductible!!!

We are counting on you being there so the scholarships in Dave's name and memory can continue!!! Please, mark your calendars now and spread the word on the time and date for the DCMF – Dave's Day #3 Tournament – June 19th, 2009 at Shoreline Golf Links in Mountain View.

*We will see you there!!*

## DCMF – Tax Exempt

There is exciting news to tell you about this scholarship non-profit organization. The Dave Crevelt Memorial Fund (DCMF) is growing! Yes, it's true – we have completed and filed the requirements for a 501.c.3 tax exempt status. Good news for us and you!

This last year the DCMF (Dave Crevelt Memorial Fund) had an excess income over expenses of \$7,345. And yes, the committee awarded scholarships last year to three "Dave" – worthy student applicants. You will read more about them in the scholarships article later in this newsletter. We are excited about our status, which means all our volunteer effort, your efforts and dollars go directly to scholarships awarded by the Fund, dollar-for-dollar!

There are many ways to donate, playing in the golf tournament, making a donation via an online banking transaction or sending us a remittance with the detachable stub from this newsletter, forwarding our information to a business, school or athletic club for sponsorship, bequeaths and soon to come – participation in United Way Campaigns! Also, check out the "Effortless Giving" article by Keith Ferrante in this newsletter. So, there are many ways to support Dave's vision of leadership, initiative and excellence in our youth. That is how we are *Scoring For Our Youth!*

## Effortless Giving

For the past year and a half I have been donating to the David Crevelt Memorial Fund (DCMF)....but just a small amount, every month. At the end of the year, in retrospect, it is a sizable sum. I feel I have accomplished a worthy donation without the effort!.

We would like to encourage you to become a sustaining supporter of the DCMF by donating to the fund through your bank.

Banks process scheduled transactions in many ways – we have found the easiest way, without incurring any cost, is to setup a monthly bill pay. Here are the simple steps that best completes online scheduled transaction as a donation to the DCMF:

Billers (The DCMF) name and address should be as follows:  
Wells Fargo • 1900 Broadway Street  
Redwood City, CA 94063-1920  
Bank Routing #121042882

The Account is:  
Dave Crevelt Memorial Fund  
Scholarship Account # 8938750976

Select the advanced options of the payment frequency and amount.

The first month your banking institution will send you a confirmation to enact the payment, based on the amount and time you have selected.

Monthly, the DCMF Treasurer confirms automatic transactions with payee information. To ensure proper credit always e-mail [pcrevelt@yahoo.com](mailto:pcrevelt@yahoo.com), Patrick Crevelt, DCMF executor with your correct address information so the DCMF can mail your donation letter at the end of the year.

To assist you, I am available to answer questions with your online gifting process. David Crevelt was my avid supporter while I was in school; I want to be there for the next generation. Please join me as a sustaining supporter of Scoring for our Youth!.

# 2008 Scholarship Report

DCMF is proud to announce the first ever recipients of the Dave Crevelt Memorial Scholarship. The award is provided to graduating high school students that exemplify leadership traits that Dave exemplified in his life and actions. Leadership in the classroom, in the community and on the athletic field.

## Meet the 2008 winners

Out of a pool of over 20 candidates answering the application and requirements of the DCMF Scholarship Committee, the following students have been chosen based on exemplary leadership, ability to excel under adverse conditions and commitment to community through service.

### Jose Hoya – \$1500 scholarship

A 2008 graduate of Woodside High School, Jose who exemplifies the spirit of David's life by showing determination in the midst of many challenges. Jose was chosen because of his maturity and determination most seniors never understand until they leave high school. When his mother left for Peru during his sophomore year, Jose stayed at Woodside even though it meant a long commute by train and bus from his adult sister's apartment. He maintained his commitment to his school, his soccer team and his goals despite the isolation from his mother and needs to take care of himself. He came highly decorated by his teachers and fellow students by mentoring and supporting his fellow students in their work and on the playing field. Jose has confidence, poise and intellect. He aspires to be an aerospace engineer with his proficiency in science and math.

Jose noted: "They say that angels don't leave trails but David Crevelt left one for me, the trail that is going to take me to success. It is an honor to get the award"

### Jenine Giusto – \$1000 scholarship

So much can be said about Jenine's resume of achievements and it would take numerous pages to describe her accomplishments at Woodside High School. Jenine is proven civic leadership as being VP of Woodside's Community services club, participated in the local community theater and has leadership and mentoring responsibilities at school and church. Beyond her academic accomplishments, Jenine was co-captain of the cheerleading squad, a conflict mediator for peers, member of the Varsity Lacrosse team; she has been active at her church as a youth minister, participant in the Woodside community theatre and mentor in the Girl Scouts. Jenine wishes to open up a theater and educational program for underprivileged youth. She is loaded with energy and creativity and over the summer was awarded the "Queen of Fair Oaks Community Festival" in August.

Jenine said of the award, "I'm just thrilled to get the award and honored to have mirrored the accolades of such a wonderful person like Mr. [Dave] Crevelt.

### Oscar Yniguez – \$750 scholarship

A standout soccer star at Woodside as a midfielder and MVP in the Nationals soccer tournament reflects this recipient's outstanding skills of the very competitive candi-

dates the scholarship committee selected from. Oscar excels in both the classroom and on the soccer field. His analytical skills in writing led to excellent grades in AP English and advanced coursework in all other subjects. His quiet and confident knowledge of his subjects made him the 'go-to' guy for fellow students who needed extra help.

Oscar has proven himself as a leader by being voted MVP of Woodside Varsity as a Junior and a Senior and also his club team which played in the Nationals. Oscar attributes his success and confidence in the classroom came from applying his goals, motivation and determination on the soccer field.

*We applaud these scholarship winners of the Scoring For Our Youth in Dave Crevelt's name for their excellence in leadership, initiative and skills in meeting challenges on and off the athletic field. Much success to you three in your academic, civic and athletic challenges ahead of you attending San Jose State University this Fall.*
